EDUCATION

Charusat University

2022 - 2026 (3rd year)

B.Tech in Electronics &
Communication Anand, Gujarat-
CGPA : 9.34

AWARDS & CERTIFICATIONS

- 2nd rank in 1st year college
- 3rd rank in 2nd year college
- Represented University at AIU-2025

SKILLS

- **Programming Languages :**
C, Digital Electronics, Verilog, PLC basics
- **Softskills :**
Communication, Time
management, Leadership, Debate

PROFILE

Dedicated and innovative Electronics and Communication Engineering (ECE) student with a robust background in PCB design, circuit design, and VLSI. Possesses exceptional leadership skills and proficiency in graphic design. Experienced in utilizing Verilog for digital system design, adept at developing efficient and effective solutions. Committed to leveraging technical expertise and creativity in a dynamic and challenging environment.

INTERNSHIP EXPERIENCE

• MACHINE AUTOMATION

Internship in Raju Engineering, Rajkot

13 May - 13 June 2024

Designed and implemented basic applications of automation such as condition based lights and conveyor belt on PLC. This was done by loading the code from software to the plc. The plc showed output in form of the led blinking .

PROJECT

- Voting Machine using Verilog
- Set reset using same push button (Ladder logic)
