PROFILE

I'm a Computer Science student with hands-on experience in developing software and working on diverse projects. Through my coursework and personal projects, I've developed my problem-solving abilities and teamwork skills. I'm passionate about technology and excited to apply my knowledge in a real-world setting. I'm looking for an internship or entry-level position where I can contribute to impactful projects, learn from experienced professionals, and further develop my skills in a dynamic environment.
